South County Road 25A – Reconstruction ROAD CLOSURE

Beginning on October 20, 2015, County Road 25A from State Route 571 (W Main Street) to Curry Branch Drive will be closed to southbound traffic due to utility reconstruction and roadway widening for phase 2 & 3 of the County Road 25A Reconstruction Project.

County Road 25A from Curry Branch to 571/W. Main will be open in the northbound direction only.

Evanston Road, Peters Road, and State Route 571 will be posted as the detour route. The City “expects” the construction schedule for phase 2 & 3 to be completed by May 15, 2016 and then will proceed to phases 4 & 5 of the Reconstruction Project which will change traffic patterns and access. An updated posting will follow.

We apologize for the inconvenience during this time and ask for your patience and understanding while construction is underway. Please contact City of Tipp City at 937-667-6305 with any questions about the closure.
